

### Continuing Professional Development

Please note that members and visiting members of other professional institutions are entitled to receive an accredited CPD certificate for each technical meeting attended. To receive a certificate, please write your name and address in the attendance book, plus a 'Yes' in the box.

Detailed flyers will be sent out by e-mail to all branch members who are 'on line'. Flyers will also be posted to all regular attendees and members in the venue area, who do not use e-mail.
