

**GUILD OF BENEVOLENCE**

# Membership Application

The Guild of Benevolence originated from the Titanic Engineering Staff Memorial Benevolent Fund set up in 1912 by the Institute together with the *Daily Chronicle* newspaper to help the bereaved families of the engineers of the RMS *Titanic*, which sank on 15 April 1912. Today the Guild Trustees' aims are to ensure that the Guild can continue to provide financial help to necessitous and deserving marine engineers, members of the IMarEST, and their dependants. This is only possible thanks to your generous and continued support.

Please see overleaf for details of those eligible for membership of the Guild of Benevolence.
