

The Institute of marine Engineering Science and Technology (IMarEST) is an international professional institution and learned society founded in 1889. It is the largest marine organisation of its kind and the first Institute to bring together marine engineers, scientists and technologists into one international multi-disciplinary professional body.

## Meeting Venue

**Engineering South Lecture Room S112, University of Adelaide,  
259 North Terrace, Adelaide SA 5000**
