

# Sea Your Future – Steering Group

## Volunteer Role Descriptor

### 1. Introduction

The Sea Your Future Steering Group consists of a diverse range of people with different professional backgrounds and whom are at various stages of their career. The group will share a passion for encouraging students, apprentices, cadets and early career professionals to enhance their professional skills through continuing professional development, particularly by engaging with initiatives at the Institute of Marine Engineering, Science and Technology (IMarEST).

### 2. What you will be doing

#### Main duties:

As a member of the Sea Your Future Steering Group, you will attend quarterly online meetings to discuss topics including:

- how to improve student and early career professional membership offering.
- the creation and promotion of existing early careers initiatives, programs and materials.
- how Sea Your Future operations run in local branches.

### 3. About you

Steering group members can be from any professional background and career stage. It is expected, however, that all Steering Group members will hold an active IMarEST membership, of any grade.

### 4. How you will benefit

There are many benefits to becoming a member of the Sea Your Future Steering Group, including:

- contributing to your continuing professional development.
- developing mentoring relationships and peer connections that could lead to new opportunities.
- encouraging new students, apprentices, cadets and early career professionals into the marine sector.

Sea Your Future Steering Group is a key part of the Institute's mission to support the next generation of marine and maritime professionals.

### 5. Time Commitment

Steering group members will be expected to attend quarterly online meeting which will be an hour in length. You will be informed of any increase in time commitment in due course.

### 6. Period of appointment

Steering group members are expected to serve a minimum of one three-year term, with the option to continue for subsequent terms.

### 7. How to apply & appointment method

Please complete the [application form](#) on the IMarEST website to apply. Please note this page will not be available once the role has been filled.

## 8. Induction and Training

New steering group members will have an induction call with a staff member from IMarEST HQ and the Sea Your Future Chair(s).

## 9. Further Information

No expenses are expected or provided for the role.
