IMarEST Member Benefits

Grades of membership for everyone in the marine sector

- Digital subscription to The Marine Professional magazine
- Access the Virtual Library and IMarEST TV, where you can watch recorded lectures and conferences
- Enjoy exclusive member discounts on IMarEST journals, events, books & MLA College distance-learning programmes
- Join a technical Special Interest Group
- Access local branch activities
- Exclusive member rewards (discounts on travel services, meeting room hire etc.)
- Access Nexus, a members-only professional network featuring a jobs board and member directory which allows you to connect and collaborate with others
- Ask IMarEST? – a service offering answers to marine engineering, science or technology questions
- Use membership post nominals (e.g. SIMarEST)
- Apply for free student places at IMarEST conferences and events
- Publishing opportunities in "Transactions of the IMarEST" and on the IMarEST website
- Apply for funding and bursaries to support research
- Join a local branch committee and get involved in activities – this also contributes to your initial/continuing professional development (IPD/CPD)
