

Lady Hamlyn Award

Application Requirements and Questions

Application Deadline: 31st March

The Lady Hamlyn Award is targeted at apprentices working in marine engineering, marine science and marine technology and related topics. The purpose of the Lady Hamlyn Award is to recognise outstanding commitment to professional development within an apprenticeship.

To apply an individual must be:

- Current IMarEST Student (SIMarEST) Member
- Undertaking an apprenticeship at time of application
- Working in a field related to marine engineering, science or technology

Please note that the below questions are to be filled out on the [online application form](#). We recommend having the Referee Details Form signed and available to upload, and your Personal Statement ready before you start the online application form.

- Personal Contact Details with your IMarEST Member ID
- Apprenticeship information, and relevant Academic Qualifications
- Brief Personal Statement outlining (*recommended 800 word length*):
 - How you would benefit from receiving the award
 - How this award would help you through the duration of your apprenticeship
 - A description of a project or apprenticeship activity and how/what skills you have developed as a result.
 - Your thoughts on a potential 3-5 year career plan that you think you would like to pursue following successful completion of your apprenticeship
- Referee Details to be uploaded (template provided on the Award Application Page). The Referee must be at the business at which the candidate is conducting their apprenticeship.
- Previous IMarEST Award Applications if applicable.
