International Conference on Engine Room Simulators (ICERS) aims to support the activities of the International Maritime Lecturers Association (IMLA) by providing an interactive forum for the international maritime engine room simulator community.

Please take the time to explore the website for more details, check on important dates, and keep yourself up to date on recent changes.

Prospective authors are cordially invited to submit full research papers which HAS NOT BEEN previously published or considered elsewhere for publication.

We are looking forward to meeting you at ICERS13 in Odessa.

Best regards,  
Sergey Karianskyi  
Head of the Local Executive Committee of ICERS 13  
Dean of Automation Faculty
