Dear Sirs,

National University “Odessa Maritime Academy”, the largest maritime educational institution in Ukraine with annual graduation of over 3000 officers, together with Exhibition Centre “Odessa Home” has initiated holding 5th International Forum on Seafarers’ Education, Training and Crewing (ETC-2017) on 19-21 of April 2017 in Odessa. The Forum includes conference and exhibition.

We would like to invite you to take part in the Forum activities. The conference programme foresees reports dedicated to relevant topics connected with world maritime industry. The exhibition visitors will have the opportunity to get the information on working conditions at different shipping companies and familiarize with selection criteria of the applicants for employment, pass preliminary tests.

ETC-2017 is supported by International Transport Federation (ITF), International Maritime Employers’ Council (IMEC), Baltic and International Maritime Council (BIMCO), International Association InterManager, International Association of Maritime Universities (IAMU), the Nautical Institute (NI), the Institute of Maritime Engineering, Science and Technology (IMarEST) and other international maritime organisations.

Large amount of different organisations and companies, including maritime educational establishments and training centres, shipping and crewing companies, training simulators and software designers, other representatives of the maritime industry will participate in the conference and exhibition ETC-2017.

More detailed information is presented on the website <https://etc-odessa.com/>.

If you have any questions please do not hesitate to contact our International Cooperation Department by e-mail etc.odessa.2017@gmail.com or personally Anastacia Nevmyvaka, Project Manager, by tel. +38 063 761 80 71.

Best regards,

Marina Chesnokova,
Head of International Cooperation Department
National University “Odessa Maritime Academy”
ETC Organizing Committee
