Lecture Attendance

Unless otherwise noted, there is not normally a need to pre-register to attend lectures; attendance is free and members are all welcome to arrive on the day. Non-members are also very welcome.

Due to COVID-19 restrictions we will be holding lectures virtually from September through to December. Details on how to attend the virtual lectures will be distributed with the lecture flyers. We hope to return to face-to-face lectures from January 2021, pending health and safety guidance and COVID restrictions.

Prior to our face-to-face lectures, refreshments are served in the foyer outside the lecture theatre.

Continuing Professional Development (CPD)

Attendance at branch lectures contributes towards members' Continuing Professional Development. Certificates of attendance will be endorsed by a member of the committee at the end of each lecture.

Technical Visits

Details of further technical visits will be announced at branch meetings and on the branch web pages.
